- **Business:** Strategic Planning, Stakeholder Management, Cross-functional Collaboration, Data Visualization.

PROFESSIONAL EXPERIENCE

InterGlobe Aviation Pvt. Ltd. (IndiGo Airlines) | Gurugram, India

Senior Executive, Revenue Management - International Markets | Apr 2026 - Present

- Grew PRASK 63.5% YoY, about 14% above the annual target, across 4 UAE markets (Abu Dhabi, Sharjah, Ras Al Khaimah, Fujairah).
- Drive data-driven fare and inventory decisions on 500M+ ASKMs and INR 500+ Cr in annual revenue, tracked monthly against target.
- Spearheaded the rollout of SRM Flex, a new revenue management tool.
- Built automated pricing and inventory workflows for weekly, monthly and seasonal peak and lean cycles to reduce manual effort.

Executive, Revenue Management - International Markets | Feb 2024 - Mar 2026

- Grew PRASK 20% YoY despite 60% YoY ASKM capacity growth, reaching 96% target attainment.
- Managed UAE, Southeast Asia (Vietnam, Bali) and Mauritius markets with INR 500+ Cr in annual revenue.
- Delivered 28.8% YoY PRASK growth on 39.5% YoY ASKM growth during the December 2025 UAE peak.
- Lifted revenue potential by 15% using dynamic pricing strategies built on market and competitor analysis in SQL, Tableau and Power BI.
- Forecast demand across 18+ pricing levels, improving demand-prediction accuracy and RBD mix calculations.
- Built Excel dashboards to track KPIs and give the team actionable insights.
- Evaluated and negotiated 1,000+ pricing and group booking requests each month, securing over 80% of strategic partnership and group booking deals.

Executive Trainee, Data Analyst | Jul 2023 - Feb 2024

- Analyzed domestic routes and flight schedules to identify operational efficiency gains.
- Built a Power BI dashboard on missed and successful passenger connections, helping network planning optimize high-traffic itineraries.
- Applied statistical analysis and forecasting to dynamic pricing projects across markets, improving demand-prediction accuracy.
- Ran market research and feasibility studies for new city pairs to support network expansion decisions.

Xiaomi India Pvt. Ltd. | Nagpur and Indore, India

Cluster Manager | Feb 2023 - Jul 2023

- Grew revenue 15% across 50+ offline touchpoints in the Nagpur region for mobile handsets, Smart TVs, laptops and AIoT products.
- Raised market share 5% by analyzing sales data and acting on trends and gaps.
- Lifted sell-through 25% by executing local marketing strategies.
- Led a team of 5 and managed 50+ distributor and retailer relationships.

Category Manager, Ecosystem Products | Jun 2022 - Jan 2023

- Cut excess stock by more than 15% by using data analytics to optimize inventory levels.
- Coordinated sell-in, sell-through and sell-out schemes across a 50+ partner distribution network.
- Achieved 95% of category targets across 100+ SKUs by analyzing demand patterns with regional teams.

EDUCATION

Indian Institute of Information Technology and Management (ABV-IIITM), Gwalior
Integrated B.Tech and MBA | Jul 2017 - Jun 2022 | CGPA: 6.87
Jawahar Navodaya Vidyalaya, Morena | Class XII (CBSE), 2016 | 86%
Jawahar Navodaya Vidyalaya, Morena | Class X (CBSE), 2014 | 9.8 CGPA

PROJECTS

Offline Signature Verification and Forgery Detection using ML | Jul 2020 - Nov 2020

- Built an SVM-based signature verification system using global feature extraction, reaching 90% classification accuracy. Tools: OpenCV, Pandas, Scikit-learn, Jupyter Notebook.

MBA Thesis: Coordination of Logistics and E-commerce, Amazon Case Study | Jul 2021 - May 2022

- Analyzed coordination between e-commerce and logistics in B2C companies. Evaluated Amazon's operations across 5 dimensions and identified 2+ optimization opportunities.

Research Intern, ABV-IIITM Gwalior | May 2019 - Jun 2019

- Applied descriptive, predictive and diagnostic AI research techniques in SPSS, SAS and MATLAB.

AWARDS AND ACHIEVEMENTS

- National Talent Search Examination (NTSE): First stage qualified, 2012
- Rajya Puraskar, National Scouts and Guides
- Event Executive, Aurora 2k17 Annual College Fest, IIIT Gwalior
